AB Group continues the unification of the product offer in the CEE region

The Management Board of AB S.A. with its registered office in Wrocław informs that on 6 May 2009 the Issuer was informed of the fact that AT Computers a.s.-the Company being a part of AB Group signed a distribution agreement with OKI Company, a producer of professional printing devices. The agreement includes sale of office devices of OKI brand in the Czech Republic and in Slovakia. The signing of the agreement with OKI Company is a part of the unification plan of the product offer after the take-over of the Czech holding ATC. This unification plan of the product offer is executed by AB Group. The agreement has been in force on the Polish market since 2004 . Due to the conclusion of this agreement AB Group can offer devices of the Japanese producer in the whole region. It is estimated, that the introduction of OKI products to ATC offer will cause a significant growth of turnover.
