 - b) the Management Board is authorised to purchase the Company’s own shares for the purpose of redeeming them in the period from 1 September 2008 to 31 December 2009, though, not longer until the funds earmarked for the purchase of own shares are spent in total;

5. Once the process of the Company purchasing its own shares for the purpose of redeeming them is completed, as provided for herein, the Management Board will convene an Extraordinary Meeting of Shareholders of the Company in order to resolve to redeem the Company's own shares and reduce its share capital.

6. Reasons:

In the current year, due to the stock exchange slump being driven by worldwide trends prevailing on equity markets, we have seen a reduction in the market price of "AB" S.A. shares. In the opinion of the Management Board of the Company, this valuation deviates from the foundations for an increase in the Company's value in the long-term perspective. The repurchase of some of the shares lies in the interest of all Company's shareholders, as this will cause earnings per share to go up.
