Legal basis: Art. 56.1.2 of the Public Offering Act – public and periodical information and Art. 38.1.2) of the Regulation of the Minister of Finance of 6 August 2009 on current and periodical disclosure by issuers of securities (Journal of Laws No. 131 item 1080)

Draft amendments to the Company's Articles of Association

The Management Board of AB S.A. presents draft amendments to the Articles of Association of AB S.A.

Discussion of the proposed amendments to the Articles of Association of AB Spółka Akcyjna to the Ordinary General Meeting of 10 December 2013

The restriction of the rights of the Management Board in relation with third parties (outside the AB Capital group) in the existing wording of the Articles of Association was extended also to subsidiary companies (relations within the AB Capital Group). This is an awkward solution, only posing problems to the daily business of the Group. The proposed amendments to the Articles of Association, be eliminating the restriction, are aimed at improving collaboration between the Company and its subsidiaries.

Herebelow there are detailed amendments in the context of the entire Articles of Association:
