Information on granting the status of the Strategic Partner to the Company by HP Europe BV

The Management Board of AB S.A. informs that on 17 October 2007, HP Europe BV provided AB S.A. with the confirmation that it granted to the Company the status of the Strategic Distribution Partner for HP at the areas of the Czech Republic, Poland and Slovakia. This project is one of the most strategic undertakings managed by HP at the area of Central and Eastern Europe. It includes many logistic and organizational aspects, the aim of which is to consolidate and improve the quality of these processes within the cooperation of HP with its Partner. Implementation of corresponding solutions has been planned for the year 2008.

The criterion to classify this event as the significant one is the increase in revenues from sales estimated by the Management Board of the Company, and related to the participation in the project, which shall exceed 10% of the revenues obtained in the previous 12 months.
